

## Chamber module LW 1000 floor slab Access LW 600, 3630-3879 mm, Class A/B

## Article information

Item no.: 8740078 GTIN: 4026092065938 Price group: 60

## **Advantages**

- For modular assembly with simple connection segments and intermediate sections 250 and 500 mm high
- Innovative honeycomb structure
- Installation in groundwater up to 3000 mm

## Description

The chamber module for wet or dry installation is equipped with fitted access steps in accordance with DIN EN 13101 and BGR 177, all the necessary seals and connecting wedges as well as a taper with vertically adjustable upper section. The intermediate sections made of permanently resistant polymer (PE) have universal connection possibilities. Thanks to the modular KESSEL system, the design can be flexibly combined with intermediate sections, taper, upper section and cover.

Variant Note on installation depth:

note maximum installation depth 5000 mm in combination with technical module
