

## Upper section Class B, Round slotted grating, d:230 mm

### Article information

Item no.: 67985  
 GTIN: 4026092038949  
 Price group: 10

### Description

The telescopic height-adjustable upper section made of Ecoguss. The recyclable composite material meets the highest sound insulation requirements, is resistant to aggressive media, temperature resistant and has a permanently corrosion-free surface. It can be exposed to flames for short periods, 100 up to 400 degrees Celsius.
