

EasyClean round grease separator free, NS 10, Direct

Article information

Item no.: 93010.05/D GTIN: Price group: 60

Advantages

- Odour-reduced disposal with the tank closed
- Low-maintenance operation

Description

The separator for greasy wastewater is suitable for free-standing set-up in frostprotected rooms and is manufactured without the need for metallic internal structural components. The collection tank made of permanently resistant polymer (PE) is equipped with an integrated sludge trap and has sloped sides in the base to promote fast and efficient disposal. Two odour-tight covers with quick-release closures make easy access possible for cleaning and maintenance work. A direct disposal pipe socket is available for reduced-odour manual disposal. After disposal, a maximum of 3 litres residual sludge volume is left in the tank. 20 year polyethylene warranty.

Variant Shut-off valve: Disposal variant: Shredder-Mix-System: Sludge bucket: Nominal size (NS): SonicControl: Disposal system:	yes Direct no no 10,00 no Disposal connection
Refill inlet in accordance with DIN 1988: Type of disposal: Load-bearing capacity (DIN 19901):	no manual F3
General characteristics Scope of delivery:	Storz-B coupling R 2 1/2" for disposal vehicle connection
Dimensions Net weight: Gross weight: Set-up area, length: Set-up area, width: Set-up area, height:	350 kg 350 kg 1900 mm 1690 mm 1910 mm
